Vincent L. Briccetti, U.S.D.J. 5/5/2021

Re: *United States v. Hibah Lee*, 19-cr-424-VSB

Dear Judge Briccetti:

I am writing to request an adjournment of Mr. Lee's sentencing for an additional two weeks, from the current date of June 26, 2021 until a date during the week of June 1st. The forensic social worker's report Your Honor directed the Probation Department to give us is a font of valuable and important information which we intend to incorporate into our sentencing memorandum. We also received yesterday Mr. Lee's mental health records from the Orange County Jail (it took longer than usual because of a change in their medical records administrative provider). Finally, we intend to be prepared to proceed on the VOSR, which was transferred to Your Honor from Judge Preska, on the same date as the sentencing. There are two legal issues which we will likely raise, one by motion and the other a guidelines issue.

In order to accomplish the above, Mr. Lee requests an adjournment of his sentencing for an additional two weeks. I have spoken to AUSA Brumwell and he does not object to the proposed adjournment.

Thank you for consideration.

Very truly yours,

s/
